

Dear Dr. Franklin Chen: 11/4/2020

Thank You So Much

Just want you to know
I grew up learning to say
Thank you to those who patiently
took care of me or just was
nice to me. Dr. Chen your
professionalism is truly
appreciated as you treated me
as a person and not a
number! So needed in the
medical field. Barbara
D.O.B. 7-23-56 Stewart

Thanking God for you.
